

## RECREATION CENTERS OF SUN CITY WEST, INC.

### POLICY STATEMENT – Fa4

#### Safety Awareness

---

#### 1.0 Purpose:

It is the recommendation of the Sun City West Recreation Centers Governing Board that the Association establish and maintain a comprehensive and active safety awareness program covering all activities related to the use, operation and maintenance of the Association's facilities. Such safety awareness program shall include but not be limited to the following functions and responsibilities:

#### 2.0 Policy:

Recreation Centers Management and Staff

- 2.1 Establish a safety committee consisting of selected staff members for the purpose of establishing, monitoring and enforcing safety rules for Rec. Centers operating and maintenance personnel.
- 2.2 Ensure that all charter clubs using powered equipment and/or hand tools conform to the safety program Rules, Regulations and Procedures.
- 2.3 Communicate and publicize safety awareness to the general membership of the Recreation Centers.

#### 3.0 Recreation Centers Governing Board

- 3.1 Properties Committee shall report to the Governing Board and Recreation Centers management any observed physical condition or operation which might constitute a safety hazard.

#### 4.0 Recreation Centers Membership

- 4.1 Observe and abide by the safety rules established by Recreation Centers management for the operation and use of Recreation Centers facilities.
- 4.2 Report to club officers and/or Recreation Center management any observed safety hazards, unsafe practices or conditions
- 4.3 Act in a responsible and safety awareness manner while walking and/or driving on Recreation Centers property.
