### **POLICY STATEMENT – L4**

#### **Authorized Use of Association Property by Political Parties and Candidates for Elective Office**

---

This policy is designed to encourage participation in the electoral process with minimal interference in the use of Association property by Association members. Political parties and candidates for public offices and Association offices are authorized to distribute political materials and to circulate petitions on Association property subject to the following limitations:

- a. No signs, posters or other material shall be affixed to an Association property except on election days by election officials.
- b. Campaign literature must be personally handed to a recipient and shall not be left on a vehicle or left unattended for pick except that candidates for the Governing Board may deposit literature for pickup in specifically designated spaces pre-approved by the Governing Board Election Committee, and in accordance with their designated rules.
- c. Candidates and campaign workers shall not restrict entrances and exits to Association property.
- d. Material being distributed should not be of a scandalous, malicious, defamatory or libelous nature.
- e. All material to be distributed shall be filed with the Governing Board Office prior to its intended distribution date, and shall contain the identity of the political party or the candidate on whose behalf the material is being distributed and the name and address of the responsible person to contact with regard to such material.
- f. All persons shall comply with Federal election laws and the Arizona Election Day statutes when applicable.

The General Manager is hereby authorized to require compliance with the requirements of this policy and to order anyone not complying to cease and desist and/or vacate Association property.
